765A Electronic Snap Gage

- Easy-to-read LCD with .35" (8.9mm) high characters
- Light-weight aluminum frame
- Inch-millimeter conversion
- Single, 3-volt CR2032 battery
- Auto-off after 7 minutes of nonuse
- Zero at any position
- Range: 0-1/2" (0-12.7mm)
- Linear Accuracy: ±.0010" (±0.02mm)
- Resolution: .0005" (0.01mm)

• EDP: 67659 List Price: \$110.00 Sale Price: **\$95.33**

Automatic Center Punches

- **818 and 819 Series**
 - Force of the blow can be adjusted by turning the knurled cap
 - Steel point easily removed for sharpening or replacement
 - All working parts are made of hardened tool steel
 - Lightweight, knurled aluminum handle for positive grip and easy handling
- **18 Series**
 - Rugged automatic punch with all-steel handles and parts
 - Adjustable knurled cap regulates the force of the blow
 - Easily removable steel point for regrinding and/or replacement

819 Hinge-Locating Center Punch

818 Center Punch

Cat Number	EDP	List Price	Sale Price
818	53048	\$29.00	\$25.78

236/237 Steel Rule Depth Gages

- Tempered rules have been accurately machine divided
- Graduated 32nds and 64ths
- Gages can be smoothly adjusted and then locked into position by knurled nut
- One side of base is cut to allow easier, more accurate readings

236 Combination Steel Rule Depth and Angle Gage

- Graduated head to 30, 45, and 60°
- Head is made of hardened steel, ground, and polished

Cat Number	EDP	Description	List Price	Sale Price
236	51074	6" Combo Depth Gage	\$56.00	\$49.78
237	51080	6" Depth Gage	43.00	38.22

50A Improved Trammel Heads

- Includes 2 adjustable heads, 2 points and a pencil socket
- Die cast heads with black wrinkle finish
- Hardened, forged steel divider points screw into heads
- Accomodate beam up to 3/8" (9.5mm) thick and 3/4" (19mm) wide

- EDP: 50268 List Price: \$80.50 **Sale Price: \$71.56**

50A Trammel Heads with points mounted on beam (not furnished). Pencil socket (lower left) screws into head for drawing.

C183 Steel Protractor with Rectangular Head

- Highly useful and accurate for setting bevels, transferring angles, small squaring tasks, checking cutter clearances
- Double graduations from 0-180° in opposite directions, permitting direct reading of angles and supplementary angles
- Lock nut allows firm locking at any angle
- Satin chrome finish for ease of reading and rust resistance
- Rectangular head provides four convenient working edges

- EDP: 50672 List Price: \$66.00 **Sale Price: \$58.67**

132-12 Precision Bench Level

with double plumbs

- 12" level designed for all-around use by machinists, maintenance and set-up mechanics and carpenters
- Attractive filigree design provides lighter weight and curved design evenly dissipates excess heat
- Base has involute groove running the full length, providing a reliable seat for round work
- Main vial and double plumb vials, each with two graduated lines
- Main vial has approximately 19-minute sensitivity

- EDP: 50564 List Price: \$163.00 **Sale Price: \$144.89**

PB-6 6oz. Solid Steel Plumb Bob

- Rugged, nickel-plated steel construction for durability
- One-piece hexagonal body design will not roll
- Easy-thread feature for fast string insertion

Combination Squares, Blades & Center Head

- Blade in Satin Chrome or Regular Finish
- 4R Grads. - 8ths, 16ths, Quick-Reading 32nds, 64ths
- Direct reading double 180 degree protractor scale
- Hardened steel, machine-divided blade with easy to read, sharp graduations
- Reversible lock bolt, scribe, and spirit level in square head and protractor head
- Cast iron square head, center head, and non-reversible protractor head in black wrinkle finish

Cat Number	EDP	Blade Style	Length	Head Style	List Price	Sale Price

439-18 Builders' Combination Tool

- 9" stock, 18" hardened, machine-divided 1-1/2" wide blade and protractor
- Zero to 90° graduations in both directions shows direct and supplementary angles on one side, 1/2" pitch increments from 0-12" per foot pitch on the other
- Four levels permit leveling or plumbing work to any angle or pitch

EDP: 52110
List Price: \$378.00
Sale Price: \$336.00

RS-24 Tempered Steel Rafter Square

- 24" steel square with black enamel finish with white graduations
- Face side: 1/8" and 1/16" graduations, rafter information and octagonal measuring scale
- Back side: 1/10", 1/12" and 1/16" graduations, wood screw, pilot drill, board foot and brace measure information

EDP: 36128
List Price: \$16.77
Sale Price: \$12.99

470 Stair Gage Fixture Attachments

- Ends are machined square
- Brass clamp screw prevents marring the blade
- Slotted to keep two opposite hexagonal faces at right angles to the edge of the square
- Furnished in pairs

EDP: 52482
List Price: \$31.00
Sale Price: \$27.56

Measure Stix™

- Sticks to almost any work surface
- High quality precision 1/2" steel rule is flat with permanent adhesive backing
- Cut to size with scissors and mount on work surface
- S1 Grads - Feet, Inches, 1/16"

SM46WRL	66634	6'	Right-to-Left	7.05	4.99

505A Series Miter Protractors

- ProSite® Protractor takes guess work out of miter cuts and saves time
- Two scales show angle for a miter joint and angle reading
- Ideal for all building trades
- Durable 1/4" aluminum with Teflon® O-ring for smooth operation

Left: 505A-7
Right: 505A-12

CP505A-12 ProSite® Combination Protractor

Performs all the functions of the 505A Series, plus:

- Eliminates the guessing and math. Transfer miter cut (for miter joints) and single cut (for butt joints) readings directly to the miter saw
- Quick reference to common roof pitches
- Compound cut conversion table
- Protractor to determine angles on 0°-180°-0° and 180°-0°-180° scales
- Precision machined with laser engraving and lightweight aluminum construction featuring a Teflon® O-ring for smooth operation

Cat Number	EDP	Description	List Price	Sale Price
CP505A-12	12256	12" Combination Protractor	\$96.00	\$85.33
505A-12	67752	12" Miter Protractor	\$58.00	\$51.56
505A-7	11677	7" Miter Protractor	\$48.00	\$42.67

AM-2 Angle Meter

- Large, readable scale for accurate readings from 0-90° in any quadrant
- Measures any angle, pitch or slope

EDP: 36080
List Price: \$19.22
Sale Price: \$14.99

135B Pocket Level

- 3-1/2" (88mm) length
- Satin nickel-plated finish
- Pocket-size with no sharp edges

• EDP: 50571 List Price: \$24.00 **Sale Price: \$21.33**

13A Double Square with Hardened Blade

- Popular square among machinists, toolmakers and pattern-makers
- 4" adjustable sliding blade

EDP: 50109
List Price: \$54.00
Sale Price: \$48.00

47 Universal Bevel

- Wide range of adjustment and angle settings
- 6" (150mm) blade, 3-1/2" (90mm) stock
- Recessed clamping bolt to allow stock to lie flat on work
- Can be set to duplicate an angle from a master or easily converted to a bevel protractor when used with the No. 193 Protractor

• EDP: 50266 List Price: \$89.00 **Sale Price: \$79.11**

380 Series Steel Straight Edges

- Precision ground, nicely finished straight edges for drawing or scribing straight lines and checking surfaces for straightness
- Their thickness and design permit them to retain shape and accuracy, while remaining portable and easy to handle
- Not beveled or graduated
- 36" length marked with arrows at two suspension points

414 Steel General Utility Rules

- Tempered steel rules
- Heavier graduations than conventional machine-divided rules and easy to read
- Edges on each side are graduated with upper edges in 8ths and lower edges in 16ths of an inch

C604R Series Spring Tempered Rules

- Satin-chrome finish
- 4R Graduation:
8ths and 16ths
Quick-Reading 32nds and 64ths

48" ASE Series Straight Edge Rules

- Parallel, accurate, flexible rules made of anodized aluminum
- Lies flat, resists bending and features large, clear numbers
- 2" wide, 1/8" grads on one edge and 1/16" on the other

Cat Number	EDP	Length	Description	List Price	Sale Price
